Faculty

The faculty is a fine blend of individuals with practical craft design experience combined with excellent academic credentials. Our in house faculty members are from premier Indian & International Institutes like NID, NIIFT, IICD, MSU Baroda, Pennsylvania State University, University of Glasgow. Professionals of repute, renowned design/craft practitioners and master craftsmen participate in the teaching process as visiting faculty.

Our Graduates Are Making an Impact as:

Entrepreneurs

Our students have ventured into the world of business, launching innovative startups and forging their own paths. They are driving change and creating impactful solutions in diverse industries.

Designers

With creativity and technical expertise, our students are shaping the future of design. They are contributing to cutting-edge projects in fashion, digital media, product design, and more.

Academicians

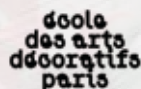

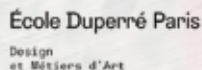

Our graduates have embraced academia, contributing to research and teaching at prestigious institutions. They are influencing future generations and advancing knowledge in their respective fields.

National & International Linkages

Associated with over 100 industries, Design House Exporters and NGOs working in craft sectors across India. IICD is having Memorandum of understanding with following National and International Institutes:-
